FOUNDER'S MESSAGE

MR. PRANEET MEHTA

MR. PRAVEEN GUPTA

TRUST

is the most expensive thing in the World and we are here to win your trust. We will work hard everyday with our team such that any student who trusts us, can proudly say that he was guided well , he was given the right platform to learn and yes he outperformed his potential with us. We are not a Coaching Institute but a mentoring institute where a student's overall growth is very important to us. Attitude is above aptitude.

If a right attitude is developed at a young age then there is no looking back, such a student will not only get a good rank and get selected in a good shipping company but such a student will perform well on ship as well.

JMDi Academy is doing great and winning the trust of people only because of a great team of a highly trained group of Expert Facilitators and Teachers. For our team it is always STUDENT COMES FIRST. All our actions with our team have just one focus and that is inspiring these young minds who have trusted us. All these years later, as I look back on JMDi journey, I am overwhelmed by the generosity & support of our Seafarers/Indian Army Officers community. The dedication of our staff, and most of all, I am overwhelmed by the perseverance of our students, by their tenacity, their strength, and the devotion we have claimed such good results.

OUR FOUNDERS WILL MENTOR YOU FOR LIFE !!!!
